

TERMS OF USE

Critical Environment Technologies Canada Inc.

Thank you for visiting our web site. Critical Environment Technologies Canada Inc. maintains this website for your information, education and communication. Please read our Terms of Use carefully before using our website.

The term 'CETCI' or 'us' or 'we' or 'our' refers to the owner of the website, Critical Environment Technologies Canada Inc. The term 'you' refers to the user or viewer of our website. The term 'authorized customer' refers to an individual or company that has a current and active trading account with us and who we have authorized to sell our products. An authorized customer is bound by the same Terms of Use as a user unless otherwise expressly noted.

By using our website, you agree to comply with and be bound by the following Terms of Use, which together with our Privacy Policy govern Critical Environment Technologies Canada Inc.'s relationship with you in relation to this website. If you disagree with any part of these terms, please do not use our website.

Our website contains materials that are owned by or licensed to Critical Environment Technologies Canada Inc. This material includes, but is not limited to, the design, layout, look, appearance, graphics, documents and written content. You should assume that everything that you see on our website is copyrighted or otherwise protected and owned by us or a third party who licensed us to use the material. Unless otherwise expressly noted, no material may be copied or used except as provided in these Terms of Use, or with prior written approval from Critical Environment Technologies Canada Inc.

DISCLAIMERS

We have taken reasonable efforts in collecting, preparing and providing quality information and material, but we do not warrant or guarantee the accuracy, completeness, adequacy or currency of the information contained in or linked to on this website. Your use of any information or materials on this website is entirely at your own risk. It shall be your own responsibility to ensure that any products, services or information available through this website meet your specific requirements.

The materials in this website are provided "as is" and without warranties of any kind either express or implied, including without limitation any warranty for information services or other services or products providing through or in connection with our website. To the fullest extent permissible pursuant to applicable law, we disclaim all warranties, express or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose.

We do not warrant that the functions contained in the materials will be uninterrupted or error-free, that defects will be corrected, or that this site or any other linked websites or the server(s) that hosts our website are free of viruses or other harmful components.

We do not warrant or make any representations regarding the use or the results of the use of the materials in this website or any linked website in terms of their correctness, accuracy, reliability, or otherwise. You assume the entire cost of all necessary servicing, repair, or correction.

This disclaimer of liability applies to any damages or injury caused by any failure of performance, error, omission, interruption, deletion, defect, delay in operation or transmission, computer virus, communication line failure, theft or destruction or unauthorized access to, alteration of, or use of record, whether for breach of contract, tortious behaviour, negligence or under any other cause of action.

Under no circumstances, including, but not limited to, negligence, shall we be liable for any special or consequential damages that result from the use of, or the inability to use, the materials in this website or any linked website, even if we have been advised of the possibility of such damages. Applicable law may not allow the limitation or exclusion of liability or incidental or consequential damages, so the above limitation or exclusion may not apply to you.

TERMS OF USE

Critical Environment Technologies Canada Inc.

In no event shall the company's total liability to you for all damages, losses, and causes of action (whether in contract, tort (including, but not limited to, negligence), or otherwise) exceed the amount paid by you, if any, for accessing this site or any other company web sites.

GOVERNING LAW

Critical Environment Technologies Canada Inc. is located in Delta, British Columbia, Canada. You agree that these Terms of Use shall be governed by and construed in accordance with the laws of the province of British Columbia, Canada.

You consent to the exclusive jurisdiction and venue of the courts in, and agree that any action at law or in equity arising out of or relating to these terms shall be filed only in, the Provincial courts located in British Columbia, Canada. You hereby consent and submit to the personal jurisdiction of such courts for the purposes of litigating any such action. If any provision of these terms shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from these terms and shall not affect the validity and enforceability of any remaining provisions. This is the entire agreement between us relating to the subject matter herein and shall not be modified except in writing, signed by both parties.

Any personal data you transmit through our website, electronic mail or otherwise will be used by us in accordance with our Privacy Policy, which defines what is considered to be personal data. Any other communication or material you transmit, such as questions, comments and suggestions, will be treated as non-confidential and non-proprietary. We shall be free to use such communication or material, including any ideas, inventions, concepts, techniques or know-how disclosed therein, for any purpose without any obligation to you.

COPYRIGHTS

This website and its content is copyright of Critical Environment Technologies Canada Inc – © 2017 Critical Environment Technologies Canada Inc. All rights reserved.

Unless otherwise expressly noted, all materials, including images, illustrations, designs, icons, photographs, images, videos and documents appearing anywhere our website are protected by worldwide copyright laws and treaty provisions. The copyright on such materials is held by the original creator of the materials. None of the materials may be copied, reproduced, displayed, modified, published, uploaded, posted, transmitted, or distributed in any form or by any means other than with prior written permission from Critical Environment Technologies Canada Inc. All rights not expressly granted herein are reserved. Any unauthorized use of the materials may violate copyright, trademark and other applicable laws and could result in criminal or civil penalties.

You may view, download and print pages including word and pdf document files from our website for your own personal use for learning about, evaluating or purchasing our services or products, unless otherwise expressly noted. We encourage the dissemination of information contained on our website by our authorized customers for their commercial use through direct links to our website. Please see our Linking Policy further along in this document.

You may view our videos from their original saved location. You may not repost our videos or modify them in any way, unless otherwise expressly noted.

You may download our software with the understanding and agreement to the following:

- All software which we utilize and/or distribute holds a proprietary interest and is also subject to copyright protection and all rights are reserved.
- No person may use or copy the software in any manner or format, except to the extent that Critical Environment Technology Canada Inc. grants them a license to do so.

TERMS OF USE

Critical Environment Technologies Canada Inc.

- We grant you one personal, non-transferable and non-exclusive right to use the copy of the software provided on our website. If this software is being loaded onto more than one computer, extra software licenses must be purchased.
- You agree not to copy or distribute the software in any manner or format, except as necessary to use it with the intended piece of CETCI gas detection equipment and to the extent that Critical Environment Technology Canada Inc. grants you the license to do so.

Any downloading or use of software from our website may involve products and/or technical data that is subject to Canadian export control laws and may be subject to export or import regulations in other countries. By downloading or using any software from our website, you are agreeing to comply strictly with all such regulations and acknowledge that you have the responsibility to obtain licenses to export, re-export, or import software.

Unless expressly noted, no other permission is granted to you to print, copy, reproduce, distribute, license, transfer, sell, transmit, upload, download, store, display in public, alter or modify these materials. You may not remove or cover any copyright, logo or other proprietary notations from our materials.

LINKING POLICIES

From time to time, our website may include links to other websites. These links are provided for your convenience to provide further information. We try to include only links to other sites which are in good taste but we do not control nor are we responsible for the contents of those sites. Similarly, we cannot guarantee that the linked websites will not change without our knowledge. The inclusion of a link to a third party website does not imply our endorsement of the linked sites or their content. Any concerns regarding a linked site should be directed to that particular website.

We encourage links to our website by our authorized customers. Such links must conform to the following rules:

- Links may be made using our logo, product images and documents.
- All links must link to the appropriate CETCI webpage, video or document.
- You may link to our videos from their original location. You may not embed our videos directly in your website.
- You may not use any link to imply that we have sponsored or endorsed your website without receiving the prior written permission from us.
- You may not alter our logo or product images in any way, including proportions or colors and may not animate or morph the logo to change its appearance.
- You may not use our logo on any site which, in our sole discretion, disparages Critical Environment Technologies Canada Inc. or our respective products or services.
- The links may only be used on webpages which, in our sole discretion, make accurate references to Critical Environment Technologies Canada Inc and its products and/or services.

We may, at our sole discretion, terminate your right to use our logo, product images, videos and documents at any time. We may take action against any use that does not conform to these policies or that infringes any right held by Critical Environment Technologies Canada Inc. and will actively seek the recovery of any costs it may incur preventing any such misuse or damages that may result from such misuse.

CHANGES

We reserve the right, at our sole discretion, to modify or replace these Terms of Use at any time.
